Re: U. S. Steel Clairton Works  
40 CFR 60, Subpart Y,  
Standards of Performance for Coal Preparation Plants  
Compliance Test Results - No. 2 Continuous Coal Unloader

Dear Sir or Madam:

Compliance testing was conducted for the No. 2 Continuous Coal Unloader in accordance with 40 CFR 60, Subparts A, General Provisions and Subpart Y, Standards of Performance for Coal Preparation Plants on March 17, 2002.

Opacity readings were conducted in accordance with the requirements of §60.11, Compliance with standards and maintenance requirements. The three-hour performance test was conducted using the test methods per §60.254 to determine compliance with the opacity standard set forth in §60.252(c). There were no readings with opacity greater than 20 percent noted during the test.

If you have any questions, please contact me at (412) 233-1015.

Very truly yours,

*Coleen M. Davis*
